MILTON B., WELL-FANCIED FAVORITE, CLOSES BIG GAP BUT FAILS TO WIN.

Jockey Howard Barred from Accepting Further Mounts at Moncreif and Other Disciplinary Action Is Taken.

Jacksonville, Fla., February 21.—Close finishes marked the racing at Moncreit Park this afternoon. Three favorites and a well-backed second choice won, which, of course, meant that the layers failed to garner anything. The result of the third race was especially unsatisfactory to the backers of Milton B. The colt got off none too well, while Carroil left the post with a great burst of speed and opened a lead of six lengths on his opponents before they had gone a sixteenth. Milton B. gradually cut down this big gap and, in a driving finish, was beaten by three parts of a length.

As a result of jockey Howard's unsatisfactory ride on Patriot in the second race today, the judges issued a ruling which bars Howard from accepting further mounts at the meeting. The ruling reads as follows: "Jockey J. Howard will not be permitted to accept any further mounts at Moncreif Park. There is no proof of fraud against him, but his unwillingness to take the average chances in racing makes him a detriment."

Other rulings issued during the afternoon were: "For attempted intimidation in connection with the running up of Oberon on Saturday, February 19.

C. W. Powell has been fined \$100, his stable suspended for ten days, and he himself will be denied the privilege of admission to the stand and paddock for a period of ten days. For unbecoming conduct in the Dixic Knight case, Joe Jones has been fined \$50." The stewards made it known that in future any horseman who intimidates another in connection with the bidding up of horses will be ruled off the turf.

any horseman who intimidates another in connection with the bidding up of horses will be ruled off the turf.

After Otilo won the fifth race, there was lively bidding for him and J. W. Schorr secured him at \$1,300, which was \$600 over his entered price. Mr. Schorr also put in a claim for Joe Rose, as did also E. George and M. Preston. Mr. George was the lucky one when it came to the drawing.

Trainer John Powers, of the Shaw-Schreiber stable, is negotiating for the services of jockey Musgrave until such time as that rider finds it necessary to leave for Canada to fill his contract engagement with J. E. Seagram.

"Mickle" Shannon, who has been training J. W. Schorr's two-year-olds, has severed his connection with that stable, due to his having had a misunderstanding with trainer Albert Simons. Shannon brought the two-year-olds here as yearlings and has had full charge of them.

Lyman Davis, secretary of the Juarez Jockey Club, the Empire City Racing Association and the New Louisville Jockey Club, arrived this morning. His mission here is to interest horsemen in the stakes offered by the associations he represents, scheduled for early closing.

Claude L. Jones, who has been in Havana for the past few weeks looking over the racing situation, got in this morning. He says that there is no clance of the resumption of racing in Cuba so long as the sport continues to thrive in Florida.

J. Kurt, owner of C. W. Burt, was inned \$10 for the inconsistent use of bilinkers on the horse.

Judge Monck, of Hamilton, Ont., was a visitor at Moncreif Park this afternoon. He is on his way south.

G. D. Chase purchased Endymion of W. P. Kuchen.

#### THIRTY LEADING AMERICAN JOCKEYS.

Although not so successful as during the preceding week, Guy Garner slightly improved his position at the head of the American jockey list during the week just ended. Garner rode one more winner than each of his nearest rivals, V. Powers and C. H. Shilling. The riding honors of the week fell to Eddie Taplin, who is now in fourth position and going right after the leaders. The record of the thirty leading riders from January 1 to and including the racing of Saturday last is now as follows:

#### FRANK MULLENS CRACK JUVENILE.

Texas-Bred Colt Runs Half Mile in 464 in Winning Mexican Selling Stakes at Juarez.

El Paso, Tex., February 21.—The Mexican Selling Stakes, the first of the Jockey Club Juarez fixtures for two-year-olds, was captured at Terrazas Park yesterday by Frank Mullens. The winner won all the way in spreadeagle style and finished cased up in the fast time of 46½ seconds for the half mile. The race was run over the four-furlongs straight course, Frank Mullens is a Texas-bred coil by Serpent, out of Dora Wood, a famons race mare in her day. It was a struggle between Kentucky and Texas-bred youngsters and as the rivalry between these two breeding centers is keen, the outcome excited intense interest. The flower of the infant racers of both sections were arrayed against one another. The I. E. Clark entry, Flying Wolf and Ilzle, together with John Marklein's The Royal Prince, represented Kentucky, while Frank Mullens and Wade McLemore's pair, Rue and Sterlin, carried the support of the Lone Star State contingent. The Clark pair were overwhelming favorites in the betting, closing at odds-on, while Frank Mullens, the ultimate victor, receded from 3 to 4½ to 1. The big son of Serpent had worked a phenomenally fast trial at five furlongs on Thursday, the first attarter being covered in 22 seconds, three-eighths in 33, the half in 47 and five-eighths, pulled up, in 1:00. The fact that he had been alling slace the holidays and had shown none too good a disposition at the post in his races, caused the price against him to lengthen. There is no further talk on C. C. Van Meter's part of matching his filly, Princess Industry, good as she is, against the redoubtable Texan.

Late in the afternoon Max Hirsch, on behalf of Alberto Terrazas, offered \$4,000 for Frank Mullens, the in the deternoon dax Hirsch, on behalf of Alberto Terrazas, offered \$4,000 for Frank Mullens, the in the afternoon Max Hirsch, on behalf of Alberto Terrazas, offered \$4,000 for Frank Mullens, the in the afternoon Max Hirsch, on behalf of Alberto Terrazas, offered \$4,000 for Frank Mullens, the in the afternoon max Hirsch, on behalf of Alberto Terra

#### FAIN RIDES FOUR WINNERS, THEN FALLS ILL

Tampa, Fla., February 21.—Favorites made a clean sweep this afternoon, to the gratification and profit of a large and enthusiastic attendance. Ideal wenther again prevailed and served to make today's racing the best that has been seen in these parts this season. Jockey Fain, the promising apprentice under-contract to R. F. Carman, was much in the limelight during the afternoon. After piloting four winners in succession, he caused some anxiety by falling so ill that he was forced to cancel the remainder of his riding engagements. His aliment is not serious and was brought on by exhaustion due to strenuous reducing. A short rest will restore him to good condition. He inaugurated his series of victories in the opener, astride Mr. Carman's flashy youngster, Stepfather. Incidentally it marked the successful debut of the Carman colors here. The diminutive rider then successfully rode Greenlawn Tallow Dip he was called upon to display especial skill to land the purse.

The best finish of the afternoon came in the feature race, won by Warner Griswell from Elizabethan and Pirate Diana, noses separating the trio at the end. In the closing dash Tamar repeated in clever fashion and won all the way.

Fain's sudden illness and failure to get a light boy as substitute for him on Flashing led to the withdrawal of shat horse, and necessitated the declaring off of bets and making of a new book in the fifth race. Bets were also declared off in the third race because of the withdrawal of Nellie Burgess.

Angus Johnson, a well-known steeplechase rider, died yesterday as a result of contracting a cold while riding Okenite, his illness finally developing into pneumonia. The body was shipped to Woodstock, Ont., his former home.

W. H. Bickers, who is promoting the contemplated race meeting at Pensacola, Fla., was among today's arrivals. He announced that work on the track is nearing completion and that everything would be in readiness for opening about March 20. He left tonight for Jacksonville to make formal application for dates to

duration and that the betting ring would be open to all reputable layers. If dates are secured many of the horsemen here will ship to the east coast city and fill in some of the time intervening before the opening of the Kentucky tracks.

The purse won by Merry Gift Saturday was awarded to Morpeth, as it was found that the Williams candidate was inelligible to start in the race. Jockey Glasner returned to the saddle this afternoon, but had to quit riding after the second race on account of weakness.

Profiting by this season's experienced mistakes, there will be no effort made to open racing here next winter before January 1, when the regular season for fourlists begins. It is probable that the racing season may be preceded by a state or county fair of a week's duration with thoroughbreds as the stellar attraction. There is also some rumor of a division of dates with Jacksonville next season. The matter will, it is said, be settled definitely before the expiration of the present Forlda racing season. Friendly relations have existed between the Jacksonville and local managements.

R. F. Carman will race his horses here to the end of the meeting and will then ship to Belmont Park.

#### BEDWELL AND SHILLING PART COMPANY.

San Francisco, Cal., February 21.—Rosslare, the consistent racer in the string of James McManus, added another to her long list of local victories when she won the fourth race at Oakland today. The mare ruled an odds-on favorite. She beat the gate and set the pace, but had to be ridden out to stall off the rush of Inchement. Rosslare has started in twelve races at the meeting and has won eleven, being second on the other occasion. The McManus colors were also carried to victory in the two-year-old dash, in which Vague led the field home.

Jockey Page came into the limelight by riding three winners. In the fifth he had to ride hard to win with French Cook, the 7-10 favorite. C. R. Jones bild up French Cook from \$400 to \$600 and secured him. H. G. Bedwell then claimed Whidden for \$600.

Mr. Bedwell today relinquished all claim on the services of jockey Shilling. There has been considerable feeling over the matter of whether the boy should ride for his brother in races where Bedwell had an entry. Bedwell had an greenment by which Shilling should ride for him until the end of the Juarez meeting. Shilling will hereafter ride as a free lance.

A. Goodin arrived from Los Angeles with Kinsman, Old Nick, Tramotor, Creston Boy and a two-year-old filly by Deutschland—Allta Hazeline, which le will train for R. F. Brown.

Following are the jockey engagements for tomorrow's Derby: Turret, Taplin: Judge Quinn, A. Walsh; Balronia, Vosper; Meltondale, Mentry; Recem. A. Thomas: Chester Krum, A. Williams; Old Mexico, C. H. Shilling, Virgie Casse is unlikely to start.

Hook the case under advisement until Wednesday next.

W. P. Fine will ship his stable here at the close of the Juarez meeting next Sunday.

Jockey Stanley Page has just invested part of his savings in a comfortable home for his mother at Los Angeles.

legitimate purposes, according to his attorney. Carroll Cook. There was nothing at all to show, the former superior judge of San Francisco declared, that when he accepted money at the race track it was a wager. It might have been a loan, Cook said. This arrayment was made in Judge Brown's court during the hearing of the demurrer filed against the information acquising Zelinsky of violating the new law. Cook argued at length that there was nothing on the face of the information to show that any money had been bet, or that a bet had been paid with the money given to Zelinsky. Judge Brown took the case under advisement until Wednesday next.

## TRAINING ACTIVITY IN THE EAST.

New York, February 21.—With the racing season about New York opening less than eight weeks hence, the stables on Long Island are making ready, and every fine morning the horses are sent along smartly in galloping exercises. Gravesend, as usual, is particularly well filled with horses in training, and Sheepshead Bay has sheltered a greater number through the winter than ever before. The racing at winter tracks has attracted several owners who in other seasons have been content to rest their horses, but plans are being laid to bring some of the winter strings to New York for a short rest before the arduous training for the long summer campaign.

the winter strings to New York for a short rest before the arduous training for the long summer canapaign.

Some of the large racing establishments require that the stable jockeys report at the stable March I, and this will take some of the best riders away from the winter tracks. Both Eddie Dugan and J. Creevy, who have ridden at Juarez, have left for the cast and will soon be gailoping horses and becoming acquainted with the lot foey have to ride during the season. Creevy will report to Thomas Healey, who has the horses of Richard T. Wilson, Jr., at Belmont Park, and Dugan will either go to Thomas Welsh at Gravesend or to John Whalen, who is still at the Belmont farm with his division. Butwell, who has been signed to ride for James R. Keene, is due to take up his contract with trainer James Rowe at Sheepshead Bay immediately.

Several other jockeys that are under contract are coming on, and before the end of next week both Sheepshead Bay and Gravesend will show new life and the trainers will before long be sending their charges along seriously.

During the winter there has been something of a change in the methods of trainers. In other years it has been the habit of many to keep their charges housed in the cold months and bring them out only for daily exercises. When the weather was unfavorable even this exercise would be had under the shelter of a roof. With few exceptions this winter the horses have been turned out in paddocks and permitted to rough it. The treatment appears to have beened rough and hardened by a life in the open air in all weather. They have been permitted to rough shot without a strap and they have not felt the weight of a saddle since being thrown out of training last fall. Evidence that the new system is best is furnished by the fact that Dr. McCully recently reported that he did not know of a sick horse at any Long Island track.

#### EMPIRE CITY STAKES READY TO CLOSE.

With western owners the Empire City Club's meetings have always been highly popular and most of its fixed events have at one time and another been carried off by western horses. The fact that its executive officials are well known western men accounts in large part for this distinctive feature of Empire City racing. This year is not likely to differ from its predecessors in this regard. The club has offered an attractive and varied stake program that must appeal fetchingly to all owners, one that will justify overflowing paironage. These stakes close for entries at midnight of Tuesday, March 1, and are as follows:

For Three-Year-Olds and Over. Empire City Handicap, \$6,000 guaranteed. 1 1-8

Yonkers Handicap, \$2,500 guaranteed, 1 1-16 miles, Mount Vernon Handicap, \$2,500 guaranteed, 1

If High Range and Royal Captive had started in the fourth race at slacksonville February 17, they would have been compled in the herting, but it being a selling race, only one of the pair could start. Layers who accepted bets on the two as an entry should pay, it being sure that such bets would have been treated as lost if High Range had been beaten.

#### GOSSIP FROM THE BLUE GRASS REGION.

Lexington, Ky., February 21.—Trainer Walter Grater has a string of fifteen thoroughbreds in preparation at the Kentucky Association track for the spring racing that will open here on April 30. The star of the collection is James C. Rogers' three-year-old black gelding, John Furlong, by Wadsworth—Treference. John Furlong is a brother to the stake winner, John McGurk, and half-brother to the stake winner, John McGurk, and half-brother to the winners, Henry Zitt, Ida Davis and Kate Zitt, all of which were bred, owned and raced by Mr. Rogers, who is now, as he has been for many years, clerk of the Circuit Court here. John Furlong has never been to the post. Mr. Rogers had him broken in the fall of 1908 and he showed a quarter in 23. Thereupon the owner decided that he should not race at all as a two-year-old. He was taken up for about thirty days hast fall and exercised and then was turned out again until the beginning of this year. He is being pointed for the Camden Handleap and for the Kentucky Derly.

"John Furlong may not win either the Camden Handleap or the Kentucky Derly," said trainer Grater, "but he will show a creditable performance in any race in which he starts and it is my prodiction that he will reward the patience and justify the confidence of his owner, who last fall refused moffer of \$5,600 for him. I have never let him down yet, but he has shown me that he has speed and that he is able and willing to go a route."

The oldest member of Grater's string is Lady Vie, the five-year-old daughter of Griffon and Vie. She belongs to George B. Ott, a local manufacturer and a thorough sportsman, Lady Vie has earned \$3,040 in three seasons. Mr. Ott has a promising two-year-old in the bay filly, Golden Egg, by Cesarion, out of Eig Goose. Git bred this filly himself and after she had shown a quarter in 22½ here last fall, he refused an offer of \$3,250 for her. Golden Egg will make her first appearance under colors in the Breeders' Fuintity here April 30, Another three-year-old of promise in this string that has

of Christiansburg, Ky., and is the only racer they will have in training this year. She is a sister to the successful mare, Lady Navarre. Grater has high regard for her. Boswell is the property of J.
L. Luke, of Georgetown, Ky.
The fillies out of Cribbage and Bezique are owned by C. W. Reidinger, a well-to-do local farmer. Mr. Reidinger bought these fillies as weanlings at Colonel Milton Young's dispersal of the McGrathiana Stud in October, 1908, paying \$150 for the daughter of Cribbage and \$250 for the other, a sister to Mollie Montrose. This filly is even smaller than was Mollie Montrose at the same age, but Grater says she has quite as much speed as her sister possessed. The fillies out of Mariam and Galata and the colt out of Mary Agnes belong to John Welch, of Spring Station. The remaining two fillies are owned by trainer Grater, who intends to race at the three meetings in Kentucky and then go east with the best of his string, as he did last year.

Dr. E. Olkawa, Japanese veterinary surgeon, who for three years has been assistant to Dr. John R. Hagyard at James B. Haggin's Elmendorf Farm. left here today for Japan. Dr. Olkawa will stop in California to buy about twenty head of thoroughbred broodmares and fillies out of those owned by John Mackey that are to be sold next month. Dr. Olkawa upon his arrival with the horses in Japan will take a position in the government service in keeping with his profession.

The stallions Dick Welles and Marathon arrived here this morning from J. B. Respess' farm at Woodlawn, Ohio, and are now quartered at John D. Carr's farm with the Respess broodmares that came here about six weeks ago. Mr. Respess spent yesterday and today here, and was well pleased with the appearance of his mares. The stallions arrived in good condition.

#### NOTES OF THE TURF.

The six-year-old bay gelding, Pendarveis, by Aibert—Persuader, is reported dead.

The stewards of the Jockey Club have declined to reinstate Arthur Carter, who was ruled off the turf some years ago.

Harry Payne Whitney's racing material for 1910 in this country is reported in exceptionally good condition at Brookdale Farm.

Under the conditions of the Brooklyn, Suburban and Brighton Handicaps, declarations were due yesterday. In all likelihood the list of withdrawals will not be large.

Former jockey "Puddin" McDaniel is operating a billiard room and bowling alley near the Gravesend track. Walter Miller and Joe Notter are among his best-known patrons this winter.

King Edward will not be able to give the same

best-known patrons this winter.

King Edward will not be able to give the same personal attention to racing this year as usual, on account of the grave questions of state that will engross his time. The royal stable will not lack attention, however, for it is in the hands of the foremost urrimen of the kingdom.

The Jockey Ciub has notified H. T. Oxnard that its stewards do not deem it advisable to suggest to racing associations that some percentage of each purse should go to the breeder of the winner, as the present values of stakes and purses are not sufficient to warrant the adoption of such a plan, which he suggested.

It is announced that A. B. Spreckels, the Cali-

It is announced that A. B. Spreckels, the California multi-millionaire, will take an active interest in eastern racing the coming season. Mr. Spreckels will this spring mate nineteen of the mares at Napa Stock Farm to Solitaire II., seven to Dr. Lego and three to Voorhees, which latter two stallions entered the stud this year.

James E. Gaffary, before best leading to the stall this year.

James E, Gaffney, before leaving New York on a trip to Hot Springs, said that he will not buy any two-year-olds this season unless they have first shown sterling racing qualities. He is confident that Alfred Noble, Barleythorpe, Louise S, and other of his horses wintering at Gravesend will give an ex-cellent account of themselves this year.

cellent account of themselves this year.

Sam Doggett, who has been out of the saddle for several years, has received official permission to resume riding. When Doggett made his application for a license he had about made up his mind to go to Argentina. Since then he is not so sure that he will make the trip. He has become too heavy to find much employment under the American scale of weights, but he will doubtless be seen in the saddle, even should he spend the summer on the Jockey Club tracks.

#### MATT WINN TO VISIT EAST SHORTLY.

MATT WINN TO VISIT EAST SHORTLY.

New York, February 21.—Matt Winn, manager of the Empire City Racing Association meetings at Yonkers, has written that he will be in New York about March 16. The various stakes to be decided at the summer meeting of the association close March 1, and Lyman H. Davis, the racing secretary will either be here for the closing or will have a representative on hand.

During the winter Mr. Winn has had active charge of the racing at Juarez, Mex., and in his letter he neighboring republic that during the closing days of the meeting a balance on the right side of the ledger has been shown. The track at Juarez was constructed at an immense cost, and the ciub spared no expense in carrying on the sport in the face of many difficulties that always surround such a new venture. For a time the weather conditions were such that tracing had to be, temporarily postponed, but the club met its every obligation and at no time was there even a suggestion of a reduction in purses or salaries to meet the dally losses.

With the arrival of Mr. Winn in New York the work of preparing the Yonkers track for the coming senson will be pushed. James Butler has several plans for the improvement of his track.
